COMSOL CONFERENCE ROTTERDAM*2013*

OCTOBER 23 - 25, 2013

CALL FOR PAPERS

Present your work at the COMSOL Conference 2013

SUGGESTED TOPICS FOR PAPERS AND POSTERS

- » AC/DC Electromagnetics
- » Acoustics and Vibrations
- » Batteries, Fuel Cells, and Electrochemical Processes
- » Bioscience and Bioengineering
- » Chemical Reaction Engineering
- » Computational Fluid Dynamics
- » Electromagnetic Heating
- » Geophysics and Geomechanics
- » Heat Transfer and Phase Change
- » MEMS and Nanotechnology
- » Microfluidics

- » Multiphysics
- » Optics, Photonics and Semiconductors
- » Optimization and Inverse Methods
- » Particle Tracing
- » Piezoelectric Devices
- » Plasma Physics
- » RF and Microwave Engineering
- » Simulation Methods and Teaching
- » Structural Mechanics and Thermal Stresses
- » Transport Phenomena

IMPORTANT DATES

JUL 5	Early bird abstract submission
AUG 23	Final abstract submission
AUG 30	Abstract approval notification
SEP 27	Paper, poster and author registration deadline
